Last updated May 13th, 2025

AGREEMENT TO TERMS

This Digital Item Policy ("Policy") governs the terms and conditions under which digital products ("Digital Items") are provided by VEUX Studios, LLC ("**Company**", "**we**", "**us**", or "**our**"). By purchasing, downloading, or accessing any Digital Item, you ("Customer") agree to be bound by this Policy.

This Policy applies to all digital items sold or distributed by the Company, except where explicitly covered under a separate client contract. In the event of a conflict between this Policy and a client contract, the terms of the client contract shall prevail. IF YOU DO NOT AGREE WITH THESE TERMS, YOU MUST REFRAIN FROM PURCHASING ANY DIGITAL ITEMS PROVIDED BY THE COMPANY.

ACCESS TO DIGITAL ITEMS

Upon completion of purchase, the Customer will receive notification of when they will receive access to the Digital Item via our designated service provider, Vidflow, or another third-party platform authorized by the Company. Digital Items may include, but are not limited to, videos, audio recordings, design assets, and other electronically delivered media. The Company is not responsible for any delays in delivery caused by third-party service providers, technical failures, or force majeure events. If third-party services fail to provide the Digital Item, the company will provide an alternate means to obtain the Digital Item.

NO REFUND POLICY

Due to the nature of digital products, all sales are final. Once a Customer has been granted access to a Digital Item through Vidflow or any other designated platform, refunds, exchanges, or cancellations will not be permitted under any circumstances. By completing a purchase, the Customer acknowledges and agrees that they forfeit the right to request a refund once access has been granted.

If the Customer experiences technical issues that prevent them from accessing the purchased Digital Item, they must notify the Company within 60 days of purchase at info@veuxstudios.com. The Company will make reasonable efforts to resolve technical issues, but does not guarantee compatibility with all devices, software, or operating systems.

OWNERSHIP & LICENSE

All Digital Items are the intellectual property of the Company and are protected by copyright laws and other applicable intellectual property rights. The purchase of a Digital Item grants the Customer a limited, non-exclusive, non-transferable, and revocable license to use the Digital

Item for personal, non-commercial use only. The Customer may not modify, distribute, resell, reproduce, or create derivative works based on any Digital Item without the express written permission of the Company.

UNAUTHORIZED DISTRIBUTION & ENFORCEMENT

Customers are strictly prohibited from copying, sharing, reselling, sublicensing, or redistributing any Digital Item in any form. Unauthorized distribution constitutes a violation of intellectual property rights and may result in legal action, including but not limited to monetary damages, injunctive relief, and termination of access to all current and future Digital Items. The Company reserves the right to take appropriate legal action against any individual or entity found to be engaging in unauthorized use or distribution of its Digital Items.
